Contact Details

Jayne Williams – Community Liaison Officer 07825 015537 (08:30 – 17:00)

Site Security - 01964 529451 (24 hrs a day)

Purpose of Meeting

- The Community Liaison Group will include representatives from the SSE, ERY Council, Aldbrough and Garton Parish councils and other relevant local interest groups.
- The Community Liaison Group shall provide a forum in which consultation can take place to consider the effects and issues which may arise from the development during its implementation and operation.
- The Community Liaison Group shall meeting on a regular basis being at least once every six weeks.
- Meeting of the Community Liaison Group shall be open to members of the public, as observers.
- SSE shall nominate a Community Liaison Officer to act as point of contact; they will be a member of this Community Liaison Group.

Above is an extract taken from the Section 106

Meeting Notes

Item	Discussion
1	Apologies for absence Apologies were received from SM, MR and SA.
2	Minutes of the previous meeting (16 July 2015) The minutes of the previous meeting were reviewed and agreed.
3	Matters arising JW updated that she had met with JH since the previous meeting to discuss access to St. Michaels Wood via a stile, but unfortunately this won't be possible due to health and safety, as well as liability issues. KB asked if the trees on the western bund would be receiving maintenance care, following the bund walk prior to the previous meeting. MGi updated that Heritage Hedging had been since the last meeting and cut down the weeds and prepared this area for winter.
4	Aldbrough Operations MGi updated that site operations continue as normal, although gas movements have been relatively slow due to the current gas market. He distributed the noise table, which showed the site activities that had been occurring at the time of these noise profiles. MGi updated that the positioning of the lights at

the cabins area of the site which had caused some issues earlier in the year have now been moved to waist height and put on new sensors, so hopefully these lights will have less of an impact on the surrounding area going into this winter and the darker evenings and mornings. KB said that he'd been told by members of the public that lighting had been improved.

5 Planning conditions

Nothing to update with regards to planning conditions for the site.

6 Feedback from Community Liaison Officer

JW said that she had been asked about the current situation with regards to Church Farm, and updated that SSE and JV partner Statoil are still reviewing options with regards to the farmhouse and outbuildings.

7 Community Concerns

No community concerns have been received this quarter.

8 Any other business

JH wished to raise that some more trees had blown down in the recent wind, and could Heritage Hedging take a look if they are in the area, JW to enquire. She also wanted to make SSE aware that instead of using the gates to access and exit from the woodland area, some people are climbing over the fences.

9 Public Discussion

No members of the public were present at the meeting.

10 Date and Time of Next Meeting

The next meeting will take place on **Thursday 14 January at 18:45 at the Sports Hall, Aldbrough.**

Actions	Action by	Date
JW to write up and distribute minutes within 7 days.	JW	22 Oct
JW to ask Heritage Hedging to look at the broken down trees in the woodland if they are in the area	JW	ASAP
