The site has put forward a business opportunity for a battery project, very similar and in the same location as the one shared with the CLG last year, 14<sup>th</sup> April 2016 and 21<sup>st</sup> July 2016. The site will know in March'2018 whether it has been successful. A copy of the plan from 2016 is attached for reference. There were no issues raised by the CLG in 2016 for this project.
