### Meeting Notes

Item	Discussion
<b>1</b>	Apologies for absence
	Apologies as above.
<b>2</b>	Minutes of the previous meeting (25 April 2019)
	The minutes of the previous meeting were reviewed and agreed.
<b>3</b>	Matters Arising
	A representative from Aldbrough Parish Council was invited to attend, as stipulated in the last meeting, and was attended by TF. MR to represent the Parish Council, as well.
<b>4</b>	Aldbrough Operations
	The summer outage was successful and conducted safely, as communicated with the CLG.
<b>5</b>	Planning conditions
	No updates.

<b>6</b>	<b>Feedback from Community Liaison Manager</b>		
	<p>No feedback received from the community. Jayne Collings will return from maternity leave at the end of January 2020.</p>		
<b>7</b>	<b>Community Concerns / Comments</b>		
	<p><b>Monopile structure out at sea</b></p> <p>The feasibility for either keeping or removing it is being considered, the deadline to decide on a course of action is 2021.</p> <p><b>Pipes on the beach</b></p> <p>Undergoing continued engagement with the council. Aldbrough are liaising with a civil contractor to look at the work to remove the pipes, considering the implications of bringing large equipment onto the beach.</p> <p>In August, there was an inflow of sand which covered the pipes up again.</p> <p>The pipes are large and very visible and therefore do not present a “trip hazard” - photos were sent round the CLG. It is a watching brief at the moment, to be reviewed again in the spring.</p> <p><b>The surrounding environment</b></p> <p>The charity walk took place 7 September, whereby it was noticed some trees need to be thinned for the health of the woodland.</p> <p>The pond has become overgrown with weeds (not algae) and thistles. MGi will get advice for how best to approach this and share solutions with the CLG.</p> <p>The gate is not catching – MGi to investigate</p> <p>Loose dogs in the fields – Parish Council to lead on finding a solution such as putting up notices, Aldbrough to support.</p> <p>It is with Aldbrough’s permission that the community can go into the planted area and help tidy up removing any empty tubes and stakes, etc.</p> <p><b>Apprentices</b></p> <p>Two apprentices have finished their first year at HETA and are now at Aldbrough gas storage, plus a new apprentice started at HETA this year, to start at Aldbrough in September 2021.</p> <p><b>Charity days</b></p> <p>Aldbrough’s next charity day is with Viking FM’s Mission Christmas – to wrap and distribute presents or shop for underrepresented age groups. Staff at Aldbrough can use their Be The Difference Day to take part.</p>		
<b>8</b>	<b>AOB + Public Discussion</b>		
	Two members of the public were in attendance with no issues raised.		
<b>9</b>	<b>Date and Time of Next Meeting</b>
