**MATTERS ARISING:** The minutes of the meeting held on 11th February 2013 were accepted as a true record and signed by the Chair.

**POLICE MATTERS:** PCSO Bainton stated that he and the Chair had attended the recent meeting at Wentworth for the 'cuppa with a copper' which was attended by 7 residents. He described it as a useful exercise. There had been only one criminal offence to report which concerned growing cannabis down Carlton Lane for which the offender had received a police caution. He asked for any information concerning drugs to be reported to the police.

**COMMUNITY ENERGY SYNDICATE:** Susan Oliver, a manager at HWCC,attended the meeting and outlined the plans in conjunction with ERYCC for enrolling with 'YORSwitch' which would eventually result in cheaper energy for all residents. She particularly wanted this message to be relayed to the elderly and infirm and gave leaflets for distribution. This was an informative session and she was thanked for her attendance by the Chair.

**CHAIRMANSHIP COURSE:** The Chair reported that he had recently attended Part1 at Hornsea and found it to be most informative and worthwhile which he hoped would be reflected at future Parish Council meetings.

**GAS SITE MEETING:** Councillor Floater Gave a resume of the recent meeting stating that the main topic was the tree planting at Garton end of the site. He also expressed the view that the whole scenario appeared to be geared towards Garton Parish Council, which has been previously echoed by our other representatives.

**PLANNING APPLICATIONS:** Councillor Fox presented applications for change of use to land at 355/357 Seaside Road for siting of temporary caravans. After discussion it was decided to object to the proposal as it would undoubtedly result in serious traffic and parking problems once the barriers were moved to outside 353 Seaside Road which was quite imminent. An application for certificate of lawful development at Cowden Parva Bungalow was noted to be outside our parish boundary and that we had no objection/comments to make. It was also noted that the appeal regarding the erection of 2 dwellings at Springfield Meadow, Garton Road was still ongoing.
