CHAIRMAN'S REPORT 2013/14:

This past year has been one of upheaval for the Parish Council with the resignation of both the Chair and the Clerk. All Councillors agreed that this was the ideal opportunity to make sure that procedures were being followed and everything was legal and correct.

In September following a selection process, we welcomed Sarah Greenwood as Clerk and have provided a new laptop for her to conduct her Parish Council business. Sarah continues to grow into the role and we thank her for her efforts.

In October a new Councillor was co-opted. We had 4 applicants with Paul Woodward being successful who as a First Responder volunteer, it is hoped that this service can be promoted and grow in the village.

The Parish Council has appreciated the advice and help given by PCSO Darren Bainton throughout the year especially during a spate of break-ins at the back end of the year.

Speeding continues to be a problem especially on Hornsea and Garton Road. The speed sign on Garton road was finally replaced and both Councillors and Parishioners have taken part in speed watch exercises with a view to some action being taken.

Poorfields Charity vouchers to the value of £5 were distributed to qualifying residents.

The Website is currently being updated and necessary documents including the Emergency Plan being transferred into electronic form. Councillor Blackwell's input and work has been invaluable in this respect.

Dog fouling remains a constant problem but with the addition of 2 new litter bins outside the Cemetery and near the approach to the Village Hall obtained by Councillor Robinson via a grant, it is hoped for some improvement.

It was decided to ask villagers to look after the 3 planters with Aldbrough Leisure Park kindly donating £100 for their upkeep. A trophy is to be awarded at the annual village show in July.

I would like to thank all Councillors for their support since I took over in September and hope that this will continue in the year ahead.

Thank you.
