6. Police Matters

One crime reported for Aldbrough, which was the theft of plants from the WI planter on Hornsea Road.

Cllr. S. Turner asked PCSO Bainton if anything could be done regarding a taxi parking on the footpath at Flinton. PCSO Bainton to follow up.

PCSO Bainton asked people to be extra vigilant following a spate of calls claiming to be about fraudulent use on Credit and Debit cards. The person asks the card holder to ring their bank on the number on their card, saying there has been fraudulent use on the card, but keeps the line open so when you ring you are still talking to the same person. One member of the public has had £2000 removed from their account. PCSO Bainton asked for people to look out for friends and neighbours who may be caught up in this scam.

Recent Motorcycle event in Aldbrough went off with no complaints.

7. Matters arising – Chair to receive updates on ‘Resolves’

- Land next to property at 48 Church Street – The chair read out a letter from Mr Wilson.
ERYC has still not come back to the Parish Council with any definite answers as to the ownership of the land.
Cllr. S. Turner Concerned over its use as designated parking and the drain that is under the land which could be damaged by its use as a parking area. The Chair feels that the best way to move forward is for the current owners to come forward and state what they want to do with the land.
Members of the public voiced their concerns over the plans for the land, which they have used to park on and walk across since purchasing their properties.
ERYC is still maintaining the land as recently as last week, when they cut the grass.
Cllr. North advised those present to seek legal advice.
Resolved that those concerned would get together and put in writing to the Land Registry office their concerns.
- Road Markings and repairs required reported to Mike Peeke response Read out by the chair. Council would like it to be noted that the sign near the school has still not been turned around.
