Chair

Paul Woodward

Vice Chair

Steve Turner

Malcolm Turner

John Fox

Geoff North

Mick Robinson

Clerk Nicki Salvidge

Public members 2

1. Apologies:

PCSO Bainton, Cllr Kevin Blackwell

2. Chairman's Report 2015/16

The chair handed out copies of her report to all.

I would like to thank all councillors for their help and continued support throughout the year. I would also like to thank our clerk Nicola Salvidge for keeping us on the right track administration wise.

I would like to extend our grateful thanks to our local PCSO Darren Bainton for attending our meetings, offering us advice, being seen out and about and helping to keep Aldbrough a safe and pleasant village to live.

As in previous years the issues of parked cars and speeding traffic continues, the Parish Council will not be satisfied until this situation is resolved and we have a safe crossing point on the B1242 for our residents, especially our children. We continue to press the ERYC, our local elected councillors and our MP to help us to achieve this. I must thank Cllr. Robinson for his continued work with this especially concerning the village wide petition he conducted.

Dog fouling is ongoing issue and I would urge residents to report offending owners. The Elm Tree pub unfortunately closed during this last year and I hope its conversion to housing will be completed sympathetically. We have registered the George and Dragon as an Asset of Community value to hopefully ensure its continued operation as a public house. The shop on Hornsea Road has re-opened along with the re-vamped Post Office and shop on Church Street, The chip shop and Mars mowers services are being maintained. Unlike many other villages we still have a doctor's surgery, an excellent school and both Parish and Methodist Church providing

support, The Parish Council once again provided and illuminated the Christmas Tree outside the Church.

The council website has been completed and continues to be well used, I thank Cllr. Blackwell for his regular and ongoing updating of the site.

I would like to thank Cllr. S.Turner for taking over the grass cutting after we were let down with no notice and continuing until a new contractor could be found. Allan Tharratt successfully tendered and continues to keep the war memorial, Church Yard, cemetery and children's playground cut.

The Parish Council was able to install an outdoor gym on the recreational field at no expense to residents and hope this addition will provide enjoyment for years to come. Thanks go to the National Lottery, Martin and Beryl Senior at the Cross Street Charity Shop, Hornsea and District Lions and a local benefactor.

Finally I wish all councillors and residents well for the coming council year ahead and hope we continue to work together for the good of the village. Thank you.

3. Election of Officers 2016/2017

Following the re-election of Cllr. Cantwell to the chair Proposed by Cllr. Robinson agreed by all present. All present agreed that unless anyone disagreed or wanted to change anything the current list of officers be kept as previously, with the addition of Community Partnership Rep for which Cllr. Robinson stated that unless the current police liaison rep Cllr Floater objected he wished to attend these meetings on the Parish Councils behalf. Also the addition of Web Site to the list for which all requested Cllr. Blackwell continued with his excellent work on the site.
