Public Members - 1

1. **Apologies of Absence** – Cllr Geoff North, C Cllr Holtby
2. **To suspend the meeting for a period of no longer than 15 minutes for public participation**

Member of the public requested a footpath be put in at the corner of Hornsea Road and North Street on the North side, clerk to pass on request to highways.

3. **Karen wood – Grants**

Karen invited to go over grant available from Withernwick Wind Farm and the process. There is currently £36,900 in the pot and applicants are looking at 20% match funding.

Cllr Cantwell asked if the work required to re build the Church Wall to make it safe would be suitable. Karen explained that the wall can be applied for and explained that as a Parish Council we could not apply for projects that are a statutory duty e.g. Allotments.

Items to include in the application- evidence of work needing doing, any possible safety reports etc. Karen suggested that we keep the applications in the sections as

in quote to enable the panel options. Clerk to send draft to Karen by 29<sup>th</sup> February for it to be looked at.

Karen was asked about money coming in from Wind Farms at Sea, it was explained that the wind farms rent the sea bed from the Crown and that the companies running the farms look into direct funding eg apprenticeships.

Cllr. Floater asked about additional funding being available when Withernwick expands. Matthew Groves and Karen explained that currently expansion plans at the Withernwick and Lisset Wind farms had been withdrawn.

No Crime to report for the second month running. Darren asked that people be alert following thefts, including Horse boxes and Caravans in other areas.

Cllr Robinson asked Matthew Groves questions on matters affecting Aldbrough Citizen Link – Matthew Groves said that this was an issue he was very interested in as a satellite site for the police as Aldbrough is the furthest post from the station, his office has spoken with ERYC as to their possible leasing of a number of links in similar situations, the clerk to forward her contact onto Matthews PA to enable a smooth transition.

Drinking Zone – Cllr. Robinson alerted Mr Groves to the threat of the removal of the No Drinking Zone following its success in the village. Concerns raised over a re occurrence should it be removed. Previous clerk's communication handed over, Current Clerk to email her communication regarding this issue from Graham Stuart MP, in which he questioned the ERYC over the possibility of its removal in 3 years' time and that following this, PCSO Darren Bainton had been asked by the council to record any issues to present to ERYC when the review was due.

Hornsea Road / Speeding – Cllr Robinson Updated Mr Groves on the recent communication from ERYC regarding the reports following Cllr. Robinsons request to the overview and scrutiny committee in July 2015, that speeding through the village be looked into along with safety issues for those exiting onto Hornsea Road at junctions with Carlton Lane and High Street. Mr Groves spoke of his disappointment with the response the council had received and requested the clerk send his PA all documents regarding this issue, he spoke of Safer Roads Humber and the current report which would be available in 3-4 weeks and that he would speak to them on our behalf.

PCSO Bainton discussed previous actions taken in which to help prove the issue with speeding, which included Auto strips, community speed watch. Cllr. Floater spoke of average speed cameras which seemed to prove effective and which record evidence.

Cllr. Robinson spoke of his own personal idea which the Parish Council did not support that parking be allowed on the east side of Hornsea Road Only and that had been turned down also by ERYC.

Community Partnership Meetings- Cllr. Robinson spoke of his disappointment that these had been stopped, although Inspector Coulthard had recently spoken to Cllr. Robinson regarding their replacement, clerk gave Cllr. Robinson a list of dates and venues of these meetings.
