

**Aldbrough Parish Council  
Minutes**

**Monday 11<sup>th</sup> September 2017 7.30pm @ Aldbrough Primary School**

**Present**

Cllrs. Sharlah Cantwell – Chairman  
Steve Turner  
Malcolm Turner  
Mick Robinson  
Kevin Blackwell  
Tim Floater

Clerk Nicki Salvidge

Member of the public David Walker

**1. Apologies of Absence**

Cllr North, PCSO Bainton

**2. To suspend the meeting for a period of no longer than 15 minutes for public participation**

Mr Walker requested update of the Defibrillator, clerk reported that Yorkshire Ambulance had checked on the de-fib twice and it was in the box both times in working order.

Feedback from Aldbrough Caravan Park was that they had called on ambulance on 8 occasions in the last 12 months and that a de-fib had been used on one of those occasions.

Advice from Yorkshire Ambulance received was that Aldbrough does have a lot of 999 calls and that they always welcome additional de-fibs, whilst they do not recommend another in the same position as the current one. A new de-fib with box would cost £1400.40, resolved that grant funding be looked into to purchase another and clerk to speak with Aldbrough Caravan Park about them purchasing one.

**3. To receive declarations of interest by any member of the council in respect of the Agenda items below.**

Trees reported over street lights again

Queensmead snicket request sent for tree survey, reports of further branch falls.

Headlands ERYC know nothing about suggested additional parking. Highways looking into this although they cannot give permission for parking on highway verge or amenity land. People wishing to gain vehicle access to their own property must apply for Vehicle Access Pack.

Camper van parking on the corner of Headlands Drive returned and causing a viewing obstruction at the junction with Headlands Road as is vehicle parking on the opposite corner

Police have clamped down on parking in the slip on Hornsea Road near junction with High Street. Request sent to sort out lining. Police also looking into

## **8. Planning Applications**

16 High Street take tree down blocking light- Philip Murphy – No Objections

44 High Street Garage to rear – Mark Chapman – No Objections

Plans for Elm Tree passed- Cllr Robinson read a piece from the Gazette in which states that planning see that on street parking on High Street will be acceptable as additional parking. All Councillors present feel this is totally unacceptable.

Conversation over current planning policy in which a number of issues raised included; Parish Council and local people’s concerns are no longer listened to and that it is felt that there is a definite divide and that Aldbrough is not considered as an important part of East Yorkshire. No consideration given to the village’s sustainability. In not addressing adequate parking they are exacerbating current parking issues, encouraging on street Parking, of which there is no policing of in the village.

It was agreed that in speaking to other local councils Aldbrough is not the only council experiencing problems and the clerk was asked to send an e mail to other councils to gauge the problem and to look at working with others to resolve this.
