Chair requested update on law regarding to dogs running off the lead. PCSO Bainton stated that a dog off a lead must be under control otherwise they are causing an offence.
Owners of dogs are advised to alert the public about their dog needing space by putting a yellow ribbon on the dog or lead, these available from the police station.
PCSO to provide signs and further information.

Parking continues to be a problem especially Carlton Lane. Frying Farmer has now put signs in their window to tell people parking available in the George & Dragon car park.

Cllr. Robinson reported that cars going along Hornsea road towards Hornsea sometimes cross or straddle the give way lines at end of Carlton lane instead of stopping if the road is not clear. This is very dangerous as if someone's pulling up to Hornsea road from Carlton lane they could easily have the front of their vehicle hit .Cllr Woodward said he has to do it on a regular basis because cars coming from Hornsea pull into the middle of the road to pass parked vehicles instead of waiting.
