Cllr Cantwell offered condolences be sent to PCSO Bainton.

2. To suspend the meeting for a period of no longer than 15 minutes for public participation

Mr Walker voiced his concern regarding previous minutes in which it was mentioned that the de-fib had gone for repair. Cllr. Woodward explained that whilst it had been returned, as in minutes for July, he had call to use it in his role as first responder, as the one provided with his kit was not working and in using the public one found the battery to be failing and had again sent it to be looked at. Mr Walker requested that the Parish Council purchase a second de-fib to cover any time when the first one was out of commission, as his wife has recently been diagnosed with a health condition which could prove fatal should a defibrillator not be immediately available. A discussion took place in which Cllr. Woodward explained that in his position as first responder he attends calls outs every day and that as well as himself a second responder Sue Hickson-Marsay a member of a Hornsea responder group was also available to attend calls. Further discussion held on a position in which a second defibrillator could be placed, it was agreed that the Village Hall too far out of the main village. Cllr Woodward when asked, said that the majority of his calls where to the Caravan Park and Wentworth Grove. Concern also raised as to what the procedure is regarding gaining access to the defibrillator by Cllr. Robinson, which was explained and it was agreed that a notice be put in the notice board letting people know that you must dial 999 and await their instruction. It was also agreed that the clerk request information from YAS regarding the placement of a second defibrillator for the village, check that the cost is the same as one she had recently purchased for Seaton Parish £1400.42. That she speak to the caravan park to see if they would be interested in purchasing a defibrillator for their site. Possible grant application be put into Withernwick to cover the cost. Mr Walker left the meeting.
