#### 6. Police Matters

PCSO Bainton said that there was nothing to report this month and that he is working with residents regarding anti-social behaviour.

Hazardous clinical waste has been placed in bins at the Village Hall, Cllr Robinson contacted ERYC who on this occasion removed it free of charge, this is breaking the law and needs reporting to police if it happens again.

Cllr North asked if anything could be done to stop spotlights dazzling passing drivers, PCSO Bainton to look into

#### 7. Matters arising – Chair to receive updates on 'Resolves'

John Fox Garden update – concrete laid and bench to be delivered next week, clerk to update Fox family

Christmas Tree – Cllrs. S Turner and G North to collect tree end of November in time for Christmas event.

Noise at Tanstern – Number of complaints have been received at the plant and they have spoken directly to these people, unfortunately a fault that is in need of repair requiring a new part could take about 12 weeks to arrive, as the issue is one of safety there is little else they can do they do ask us to pass on their apologies to anyone affected, along with their assurances that they are doing everything possible to resolve the problem.

Water Board have repaired hydrant outside school

De fib box clerk has sent a request to Cottage hospital league of friends but their treasurer away at moment.

Church contacted clerk regarding replacing lights with LED. Cllr Robinson spoke of an application to Withernwick Wind Farm, Cllr Woodward spoke of a solar spot light he uses which gives excellent light, to discuss with Rev Anne and Trevor Moore.

Parking Carlton Lane – continues to be a problem and has been spoken of on social media, Clerk has been in contact with ERYC who have looked into this issue many times over the years and can not find an answer to the problem, due to the current financial climate and safety record in the area it could be a while before any funding became available to put in any double yellow lines. Should double yellow lines be put in it could impact on the parking, moving it further down the street and also have an adverse effect on local business.

ERYC also unable to fund provision of parking bays along Hornsea Road, whilst a scheme for inclusion could be applied for to the capital program, this could take quite some time before funds become available. They would like everyone to note that parked cars tend to slow down traffic and if new restrictions are introduced along with parking bays then this may lead to an increase in the speed of vehicles entering the village from Hornsea.

Cllr Robinson is very concerned over people traveling along Hornsea Road cutting over the give way lines at the end of Carlton Lane, it was agreed that everyone guilty of doing it.

Cllr Robinson would still like to see parking restricted to East side of Hornsea Road, however Cllr S Turner pointed out this would increase speeding in the village. A van currently parking near the corner of Carlton Lane is causing issues with visibility unfortunately it is not breaking the law and if taxed and insured is allowed to park there. Cllr Walker spoke about his time as the village police officer and that 40 years ago this was an issue and they have every official down to look at problems in Aldbrough, but as now, nobody could come up with a solution which was safe for all.

Tanstern Lorries – highways checking out signs to ensure they all being sent the right way. Reports of lorries turning round at the end of Hull Road having left the site the wrong way clerk to ask if a sign could be put up saying please turn right at the junction of site and Hull Road.

Water tap covers – 2 covers repaired on 1/11 and 1 in mid-September. Others reported to Yorkshire water under a section 81 and a job number has been issued for repairs to be done. Cllr Cantwell stated that these have all been done.

Clarification of Code of conduct 'Family' means Spouse, Civil partner, any person with whom you are living as a Spouse or Civil Partner, parent, grandparent, child, grandchild or sibling

## **8. Planning Applications**

18/02607/PLF erection of detached garage 14 East Newton Road – refused

## 9. Correspondence

Letter from Graham Stewart requesting de-fib at East Newton and asking Council to join Cadey (Community Access Defibrillators for East Yorkshire. The Parish Council discussed this and felt that due to the few properties at East Newton that it would be better served with a First responder, Cllr Woodward agreed with this and when asked how many times he has used the de-fib he reported 3 times. Clerk to write back to say that unfortunately the Parish Council are unable to support this at present.

Advert from HARP to be put up in notice board.
