Allotments paid. One allotment holder has handed back allotment, which has been offered to next person on the list. Clerk to issue contract

Meeting re playground has been held and repairs will be carried out after the school holiday. Cllr Robinson to check on paint type safe to use.

Kenny Harrison ERYC reported Bins have all been repaired however this was not agreed by councillors, clerk to check.

Garton Road speed sign- Street Lighting are going out to it as the frame got bent due to it swinging in the wind. Hopefully with a new fuse it should work. However, as this sign is not a causality reduction sign and was installed as a community concern sign the Road Safety Team do not have the budget to repair it and therefore the cost would fall back onto the Parish Council should they wish for the sign to be repaired/replaced.

Clerk looked into the cost of replacement quote received assuming the post and power supply are still OK and it's just the sign that needs replacing, then the cost would be around £3,000 which the Parish Council would need to fund.

Hedges- enforcement has been round and are happy that both hedges have been cut back.

Cllr Robinson has forwarded the clerk copies of papers received from his solicitor regarding the recreation ground.

No further update from Frank Hill
